LORI LARUSSO

Precarious Panoply

June 17–August 28, 2022

In her painting installation, *Precarious Panoply*, Larusso (Louisville, KY) explores humans' paradoxical relationships with the animals that exist closest to us. From pets to synanthropes (non-domesticated animals that thrive alongside humans and our built environments), Larusso's work highlights the tenuous line between attraction and revulsion that shapes our relationship to the different species of animals in our lives.
